Minister: Trucks from BiH allowed to pass Croatian border despite new rules – N1

📅 May 27, 2021

Ministers from BiH and Croatia agreed Thursday that trucks carrying goods from BiH will be allowed to cross into Croatia on roads where they would not be allowed to do so according to a recent decision by Croatia until the issue is completely resolved.

Croatia's decision on the re-categorization of roads, which will take effect at the end of the month, was expected to cause immense damage to businesses in BiH.
